SUBJECT: Letter of Commendation  
Project # CZQZ 09-1006, Construct 551 SOS AFSOTC Temporary Facility  
Contract # FA4855-09-R-0031

1. On behalf of the Government, this letter is to give recognition to Mr. David Hoevker, Project Manager for Nortex Modular Space, for his exceptional performance in regard to the expeditious construction of the Temporary Facility for the 551 Air Force Special Operations Training Command. Mr. Hoevker provided the Government with the upmost professionalism in prompting solutions for on-site construction issues that arose to facilitate the imminent need of a new space for the growing 551 Air Force Special Operations Training Command. His positive disposition and enthusiasm for excellence demonstrated the ability to successfully achieve Cannon AFB's lofty goals. Lastly, Mr. Hoevker provided a complete and useable facility 23 days prior to the contract completion date. The Government would like to acknowledge Mr. David Hoevker observing this accomplishment.
2. Additionally, the Government would like to express gratitude toward Nortex Modular Space for providing Cannon AFB with an extraordinary professional to oversee in promptly providing a space for the 551 Air Force Special Operations Training Command to continue training operations for Cannon AFB Airmen. This training is crucial to the mission of the Special Operations Command of the Air Force as well as the command of Cannon AFB. The appreciation of the 551 AFSOTC and 27 Special Operations Civil Engineering Squadron is expressed in the highest regard.
